MOUNTING GUIDE

CHOOSE THE RIGHT MOUNT FOR YOUR NEON.

WALL MOUNTING KIT

THREE FINISHES

Stand-offs secure the acrylic backboard to the wall, leaving a small gap behind your sign. Choose silver, black or gold to complement your space.

SILVER

A classic metallic finish.

BLACK

A subtle finish for darker spaces.

GOLD

A warm metallic accent.

INCLUDED Stand-offs, screws and wall plugs.
Drilling required. Use fixings suitable for your wall material and sign weight.

HANGING KIT

Steel wire cables and clips suspend your sign from suitable overhead fixing points.

FOR A SUSPENDED DISPLAY

Ideal for windows, shop displays and event backdrops.

3M DOUBLE-SIDED STICKY TAPE

Adhesive mounting for smaller, lighter signs on suitable smooth surfaces. Apply to a clean, dry surface.

FOR SUITABLE LIGHTWEIGHT SIGNS

Check the sign weight and surface before choosing tape.

NEED A HAND CHOOSING?

The best mounting option depends on your sign, backboard and display surface. Contact us before ordering if you are unsure which option suits your setup.
